Love Collecting

6 May to 17 June

There's a bit of the magpie in most of us, but what sort of collector are you? Are you the sort of person who picks up shells as you walk along the beach but then doesn't know what to do with them? Or do you make a special trip to the beach to search for particular shells? This exhibition explores four of the collectors who helped shape our museum collections.

Ice Bound

Andover-born, award-winning artist Darren Rees received the coveted *Friends of Scott Polar Research Institute Antarctic Artist in Residence* in 2014/15. He travelled with the Royal Navy on HMS Protector from the Falkland Islands to the Antarctic Peninsula, with visits to Port Lockroy, Horseshoe, Rothera, Stonington and Deception Island. His exhibition and book, *Ice Bound*, document his journey, showing us his methods, encounters and experiences in the far south.
